

Sandeep Prasad

Subject Matter Expert

✉ sandieepprasad@gmail.com 📞 7979878711 📍 Darbhanga, Bihar - 846009 📅 10/08/1998

Profile

Dynamic Subject Matter Expert and Faculty in Quantitative Aptitude with over four years of experience preparing for and excelling in government examinations like SBI PO, IBPS PO. Proven track record in developing, reviewing, and managing high-quality educational content for leading platforms such as Mahendra's, PhysicsWallah and Testbook. A committed and enthusiastic team player eager to contribute expertise and learn in a challenging environment.

Professional Experience

Assistant Editor, Ratna Sagar pvt ltd

- Developed and edited K-10 math content, ensuring accuracy and clarity.
- Reviewed math problems for precision and standards alignment.
- Created interactive exercises and curriculum materials.
- Managed projects, delivering high-quality content on time.

SME, Testbook

Curriculum and Assessment Design: Led the creation of quantitative aptitude questions for Banking and CSAT exams and oversaw the development of test series and quizzes, focusing on aligning content with exam standards and difficulty levels.

- Team Management and Coordination: Managed a team of freelancers for content creation, optimized workflows, and supported faculty with efficient delivery of educational material through careful planning of class content timelines.
- Quality Control and Innovation: Ensured the accuracy of content and spearheaded the adoption of innovative teaching methodologies, significantly increasing student engagement and instructional effectiveness.
- Impact Assessment and Continuous Improvement: Utilized test performance data and student feedback to refine teaching strategies and content, noticeably enhancing learning outcomes and securing positive student testimonials on the clarity and comprehensiveness of the material.
- High Student Satisfaction: Achieved and maintained an impressive post feedback exam rating of 4+ out of 5 for all test series, exemplifying the high quality and effectiveness of the curated examination preparation materials.

SME, Physics Wallah

- Appointed as a Subject Matter Expert (SME) at Physics Wallah, contributing expertise in mathematics to create high-quality educational content.
- Recognized for in-depth subject knowledge, pedagogical skills, and ability to simplify complex concepts for students.
- Engaged in team building and management

Faculty, Mahendra's

- Prominent faculty member at Mahendra Educational Pvt Ltd, designing and delivering comprehensive mathematics curriculum for students of various levels
- Conducted regular assessments and provided personalized feedback to students, resulting in improved performance and academic achievements.

Doubt Solver, Unacademy

- Established as a successful freelancer on Unacademy, delivering engaging and informative mathematics courses to a diverse student base.
- Received positive reviews and ratings from students, indicating high-quality teaching and effective communication skills.

Faculty

- Utilized effective teaching methodologies and strategies to engage students and improve their understanding of mathematical concepts.
- Achieved positive feedback from students and parents, resulting in increased student performance and academic success.
